

June 3, 2004

OKLAHOMA BULLETIN NO. OK170-4-3

**SUBJECT: CGI – New National Agriculture Imagery Program (NAIP) Color
Photography**

Purpose: To provide instruction on use and release of NAIP color photography

Expiration Date: September 30, 2004

Instructions for ordering the 2003 NAIP color photography were issued by Oklahoma Bulletin No. OK170-4-2. Many offices have placed their order or have already received their photography for the specific area(s) of interest. This imagery is intended for use internal to the NRCS for planning purposes.

This imagery is not to be released to anyone outside of the NRCS without written approval from either: Jimmy G. Ford, State Soil Scientist, or M. Darrel Dominick, State Conservationist.

A handwritten signature in black ink that reads "M. Darrel Dominick".

M. DARREL DOMINICK
State Conservationist
